

Cold Chain Packaging Solutions Leader

MEDICAL DEVICES

IMPROVING LIVES, ONE PATIENT AT A TIME

It is not every day that a patient needs a life-saving or health-giving medical device. But when a device is needed, time is critical and errors are disruptive, at best. Peli BioThermal's global network provides the convenience and continuity you need to quickly and safely deliver temperature-sensitive medical devices to a patient's bedside.

For nearly 20 years, companies in highly regulated industries around the world have trusted us to protect their most valuable assets – blood supplies, tissues, biologics, pharmaceuticals, diagnostics and vaccines. Peli BioThermal's single-use and reusable temperature controlled packaging solutions support temperature ranges from deep frozen to ambient room temperature, with payload volumes up to 96L and temperature control for as long as 168 hours.

Sustainability

Rent. Reuse. Recycle. We're on a journey to protect our environment and our planet one package at a time.

Innovation

Our team thrives in the area between problem and solutions to develop cold chain packaging innovation.

Reliability

Our customers trust us with their most valuable, health-giving and life-saving products.

PELI
BIOThERMAL™

Thermal packaging technologies on a global scale

Peli BioThermal's innovative single-use and reusable thermal packaging products are used by leading global life science industry companies and organizations in pharmaceuticals, biotech, laboratory, diagnostics, and military/government sectors to protect and safely transport their most critical temperature-sensitive tissues, biologics, diagnostic, devices and vaccines. We offer the most diverse and trusted selection of cold chain packaging solutions, worldwide manufacturing and service centers staffed by cold chain engineering experts and provide an easy-to-use, web-based asset management service that allows organizations to track individual shipments from start to finish while setting up automated reminders for key logistics processes.

PERFORMANCE YOU CAN DEPEND ON

All Peli BioThermal products are qualified against the highest standards, including the ISTA 7D standard.

SINGLE USE

PARCEL

CoolGuard™ Advance

PALLET

CoolPall™ Flex

REUSABLE

PARCEL

Crêdo Cube™
